

How Environmentally Green Are You?

Complete Online at <http://www.econurse.org/community/course/view.php?id=3>

Age					
Gender					
Occupation					
	Never	Occasionally	Sometimes	Almost Always	Always
I turn off the lights in a room when I am not in there.					
I power down my computer completely when I am not using it.					
I do not let tap water run freely at the sink.					
My household generates no more than 2 bags of garbage per week.					
I recycle my household waste through my community curbside collection.					
I collect my household waste for recycling at my local recycling depot.					
Before purchasing an item I check for its recycling instructions.					
When I am at school/work I look for recycling containers.					
When I go grocery shopping I bring my own re-useable bags.					
I re-use or recycle my excess plastic bags.
